Insurance Only
1410 G ST. N. W.
AUTOMOBILE INSURANCE
ALL FORMS

The Safest Investments

are those that do not fluctuate during disturbed conditions of the money or stock market. First deed of trust notes (first mortgages) well secured on real estate in the District of Columbia, constitute "gilt edge" investments, and do not depend upon the financial responsibility of individuals or corporations for their stability. We can supply such investments in amounts from $500 upward. Send for booklet "Safeguarding the Safest Investment."
